

3rd Annual Meeting

Strengthening an Active Network towards Collaboration

Alessandra Holmo – Managing Director (MD), CISB

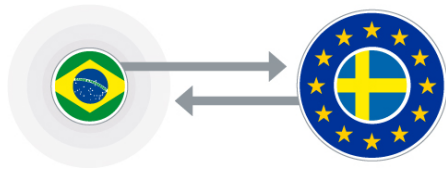

November 11th

CISB: Start on Solid Ground

CISB: High Ambitions

- Non-profit Research and Innovation Association
- Establish Network and Partnerships
- Implement R&D and Innovation Projects

Inspired by Swedish Science Parks and the principles of:

- *Challenge-Driven Innovation*
- *Triple Helix*
- *Open Innovation*

CISB: Challenge-Driven Innovation

- Find solutions for complex global and societal problems that need to be addressed by open innovation and multi-institutional innovation network arenas.
- Focus Area:

Transport & Logistics

Defense & Security

Sustainable Energy

Urban Development

CISB: Members

Industry

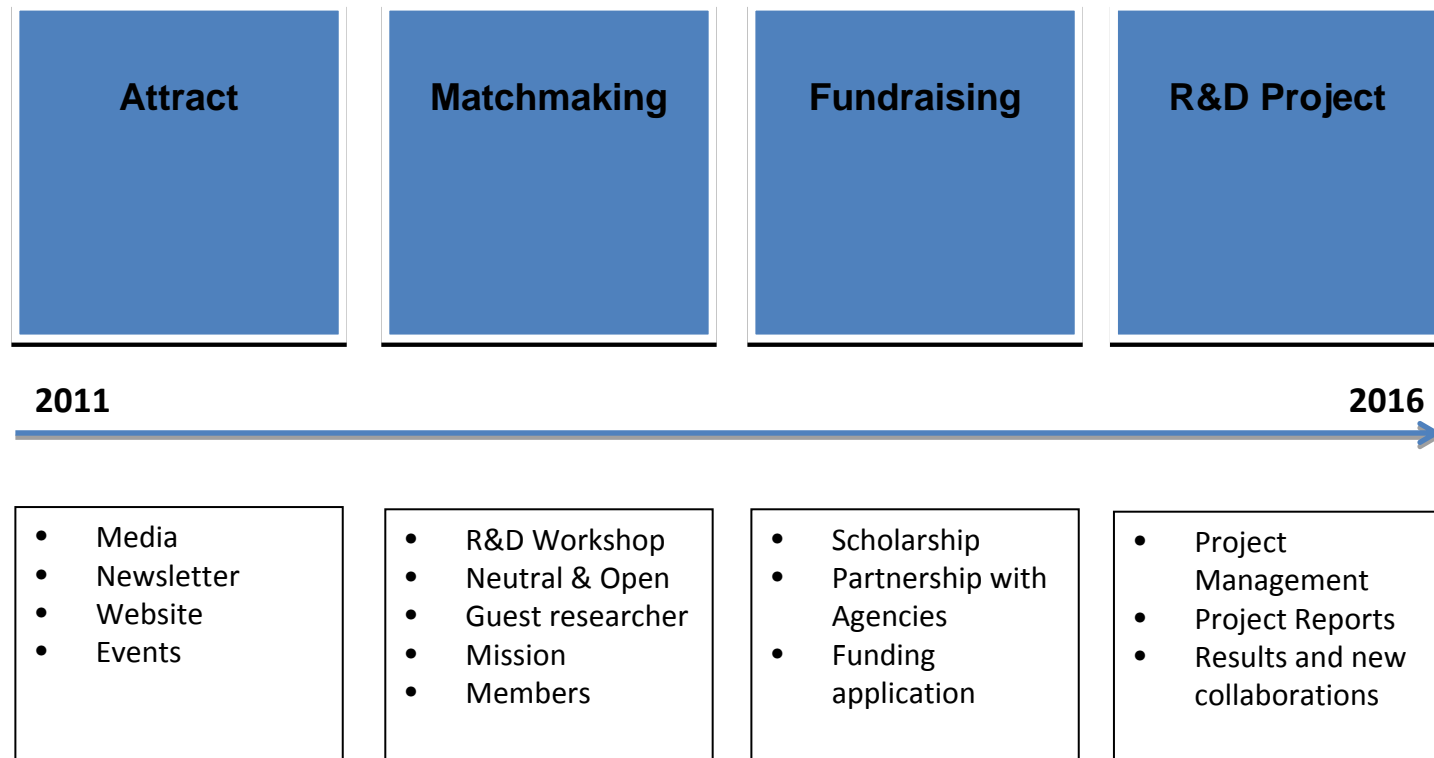

Research Institute

Universities
